NARRATIVE

ICV and Body Worn Camera were active during incident. The following narrative is intended to serve as a summary of the incident. For additional detail/ or exact quotes please refer to said recordings.

On 1/18/2023 at approximately 0043 hours, I was working uniform patrol as 3E3 in a fully marked patrol vehicle. I was dispatched to 903 Union St to investigate an assault call. The dispatch remarks were as followed “RP SOUNDS IN CRISIS, RAMBLING THAT A HIGH/INTOX MALE NBR SCREAMS AND BANGS ITEMS 24 HOURS A DAY. ALSO ADVISES SMELLING NARC OR STRANGE ORDERS COMING FROM UNIT AND STATES A "YOUNG PERSON" MIGHT ALSO LIVE HERE BUT HAS NOT SEEN THEM. NO WPNS SEEN/HEARD/MENTIONED.”

During the course of the investigation, officers contacted the victim who was identified as Strand, Jefferey, W. Strand had some swelling on his left eyebrow. Strand explained that he was assaulted from the resident of unit 404. The resident of 404 was identified as Jones, Charles, A via Mark 43.

Strand then went on to explain that he was watching tv in his apartment unit when he heard a knock on the door. Strand saw it was the security for the apartment who was later identified as Mitchell, Michael, L. Strand stated that Mitchell told him he was creating too much noise and Strand got into an argument with Mitchell. Mitchell told Strand that it was probably the neighbor that called in the noise disturbance. Strand stated that security told him he would be able to control his phone.

Strand stated that the resident of 404 poked his head out and started to argue with him. Strand stated that the resident of 404 ran up to him and punched him in the face. Strand pointed at his left eyebrow area. Strand did not know if security saw the incident.

Strand did not want medical attention for his injuries.

Strand stated that he did want to be a victim of assault.

Officer Sheppard took pictures of Strands injuries via axon capture.

I attempted to contact the resident of 404 but he did not answer the door.

I left Strand a business card with the incident number.
